Dear Families

I would like to begin this edition of the Yakka by acknowledging our students for their outstanding effort for Sports Day. It was a fantastic day and I was very impressed by our Sports Captains’ preparation for this event and their leadership on the day. Sports day was a true reflection of the strong and supportive peer connection between our younger and older students. Special thanks to the many families who joined us on the day and cheered us on.

Term 4 signals the time for staff and Governing Council to invite students and families to evaluate our Site Improvement Plan priorities and plan for 2015. This review process ensures our site performance and priorities target continuous improvement for each individual learner at Fairview Park. Part of this process involves surveying staff, families and students to establish levels of satisfaction with current programs and improvement priorities. Surveys are emailed to families however if we don’t currently have your email details I invite you to participate in this process by accessing the following link www.schoolsurvey.edu.au/s/v4j7kxnQ. You will also need to enter this Access Code zmtXPfuK.

Feedback is valued and provides us with an additional tool for our ongoing site planning. Data from these surveys is also included in our Annual Report. Closely linked to our term 4 review structures is our Governing Council Annual General Meeting. This is scheduled for December 4th at 7pm in the Resource Centre. There will be vacancies on our Council for 2015 and I encourage you to consider nominating for one of these positions. Nomination forms are available from the front office and current Governing Council members will be happy to discuss what is involved. If you are unable to commit to membership please come along to our AGM and vote so the 2015 Governing Council represents our Fairview Park community.

Finally I would like to thank you for your prompt returns for our 2015 Class Placement. Our numbers have increased for next year so we are currently limited in accepting new enrolments outside our geographical catchment area. Confirmed students for 2015 have been allocated to classes and teachers and now aligning classes with special requests, student feedback and individual learner needs. Additional Class Placement forms are available from the front office.

Warm Regards,

Vanessa Mortimer
**Principal Awards**

**Congratulations to the following students:**

Layla (A1), Lachlan (A2), James (A3), Jack (A5), Molly (A6), Brianna (A7), Louis (A8), William (A9), Brooklyn (A10), Josh D (A11)

---

**Dear Families,**

On 6th of November, Thursday of Wk.4, the Student Action Team will be hosting Wheelie Day. This is a day where students are given the opportunity to bring in their bikes, scooters etc. (Nothing motorised). All students **MUST** wear a helmet or they will be asked to sit out. Each class will be given a separate time frame to ride their wheels on the preschool track. Students who have brought wheels and helmets can ride around at recess and lunch under supervision. On the day school uniform will be worn as usual. To make wheelie day more realistic, you cannot speed down the track or else you will get a fine (2 minutes time out). Other road rules will also be included (Going through a red light, cutting off others & swerving).

*Kind Regards, Student Action Team*

Leader: Emelia Harman | Deputy: Zack Sleeth | Staff Leader: Tania Dodd

---

Many thanks to all the parents who completed our travel survey. A similar survey was also completed by staff and students. The data collected has been included in a report, which contains interesting information about our school community. A brief look shows that 59% of our students live within a 1km radius of the school and 82% of our Reception to Year Twos and 80.6% of our Year Three to Sevens, travel to school by car. A large number of our students also expressed their preference to use more active ways of travel on their journey to school. A copy of the report is available at the front office.

Last Wednesday Tania Conradi and myself attended a Way2Go workshop to discuss our Travel Survey Report. Although there were many common elements in the reports from the various schools involved in the program, each school will use the information to develop their own school plans. Next year we look forward to working with our school community in developing ways to make travelling to school more active and environmentally friendly.

Noel Bray
Fundraising

SECOND HAND SCHOOL UNIFORMS
Fundraising are asking for any second hand school uniforms which are still in good condition to be donated to the front office. Later in the term we will hold a stall to sell the items. All money raised will go towards our fundraising goals for the year.

GRADUATION SIGNATURE BEAR AND SOCCER BALL
For the Year 7s this year we will be offering a graduation signature bear or soccer ball for purchase. Bears $20.00 and Soccer and Footballs for $16.00.
A bear is available to view prior to ordering at the front office. Full payment must be made with the order.
Orders must be placed by end of week 5.
A great keepsake for your child and the time they have spent at Fairview Park Primary.

CHRISTMAS DAY STALL
Preschool students  Wednesday 10th of December
Primary School students  Thursday 11th of December

2014 Sports Day
