On Monday the 25th of May Erin, Kayla and Hannah (A8) went to ETSA Stadium to play a week of netball, representing the Tea Tree Gully district.

Out of one hundred girls, 20 were picked. The three of us were lucky to be selected.

During the week we played nine games - two games a day Monday to Thursday, one game on Friday. We won two of our games and one was a draw, and came very close to winning the rest.

During the week we experienced a lot of injuries. One girl dislocated her elbow, and another rolled an ankle badly. Hannah and Kayla rolled their ankles, and had them strapped every day. Erin hurt her Achilles and her knee. There were many more injuries.

It was very tiring but we had a great time.

One of the highlights for the week was sitting in the treatment room with one of the stars of the Thunderbirds Carla Borrego.

The girls played their final game of the day against Surrey Downs. We had a great win of 3-1. It was the greatest feeling. The boys' final game against Surrey Downs was a loss but they still did a great job, with the score of 0-2. Overall, the boys won 1 game, drew two games and lost one. At presentation time, they called up the Fairview Park girls’ team who had an incredible win, being undefeated all day. We thanked the umpires, first aid and canteen assistants, teachers and parents for cheering us on and making the day go ahead. We brought home the trophy!
