** Guided Reading in Area 3 **

We read different types of texts. These include Narratives, Information Reports, Procedures and Recounts.

We talk about what message the author is trying to tell us.

We write about our understandings of the text in different ways.
**Guided Reading in Area 3**

In our groups we all read out loud together. We read the same text within our group. We read fiction books and non-fiction (information) books. We practise our fluency (so we can read smoothly) and our expression. We help each other with tricky words. We use our digraph sounds to sound out unfamiliar words. We ask questions about the meanings of new words. We practise our Sight Words.
