Drawn pictures of dinosaurs and recorded their names.

The Early Years Learning Framework

**Outcome 4: Children are confident and involved learners**

Through their play, the children became familiar with the names and features of the different types of dinosaurs. They explored the mathematical concepts of size and attribute and increased their literacy skills as they shared information through reading non-fiction and fiction books, group discussions and copying words relating to their art work.
Dinosaurs

This term the kindergarten children have been learning about dinosaurs. We have sorted them by colour and type.

Created dinosaurs using play dough and small parts.

Made dinosaur bones and fossils
