Remembrance Garden

Our amazing Remembrance Garden is almost complete. This is a great space for students and our community to reflect on our service men and women’s sacrifice.

Students will benefit from learning in Humanity and Social Sciences in this special place.

A huge thankyou to our volunteers of parents, students and staff who contributed to our Remembrance Day Garden.

Thankyou to Kate, Magdalena, Keturah, Claire, Fiona, Tarina, Jane F, Cathie, Jo, Melissa, Tania, Sarah, Jane S, Leah, Paul and their families. Jane for organising the plaque and Dwayne for the signs on the pots.
During the first week of Term 2 we have been learning about ANZAC Day. Some of us made wreaths which you may find at a memorial service. We also made ANZAC biscuits, read picture books and designed title pages that depict our understanding of the ANZAC Spirit. Some topics we debated were:

- Shops should not open on ANZAC Day as a form of respect
- It is important for students to learn about war and the ANZAC spirit
