Dear Families,

To continue our theme on Building resilience we will look at the Perseverance learning muscle. When we are using this muscle we are not put off by being stuck, we tolerate feelings of apprehension, frustration or confusion by not getting upset, we recognize that learning can be a struggle and keep on going despite difficulties and find ways to overcome them. Language we use to encourage perseverance includes - we can do it, I can’t do it YET, what did you do last time you got stuck, I made a mistake here I wonder why that might be...everyone finds learning difficult at some time, how did it feel to persist with....

School values—thankyou to those parents who sent in their values information sheets sent out in the last newsletter. Feedback will go to Governing Council this Thursday night. Don’t forget to vote on July 2nd and help our fundraisers by coming to our school and purchasing from our BBQ.

Bogan Bingo—this is our big fundraiser this year and we need our parents to support this event. Please hurry and purchase your tickets. If you are unable to attend but would like to help in some way you can always donate a prize or bottle for the evening. Please see note inside.

Canteen News. Thank you to those families who supported our canteen special day. Our canteen made a considerable loss last year and the canteen committee are working hard to try and make it break even this year. This means we need our families to support our canteen. If you have any suggestions which we can consider so that you will purchase lunches from the canteen please send me an email and I will discuss at our next meeting. We are currently looking at other schools canteen price lists and the range of products offered. Many schools are struggling to keep a canteen operational and we would hate to have to close ours as we see it as a valuable service to the community.

The SRC will be collecting a gold coin donation for casual dress day on the last day of term. Students will discuss where they would like these funds to be spent.

Warm Regards,

Melissa
Melissa Evans
Principal

Pastoral Support

We do not believe in ourselves until someone reveals that deep inside us something is valuable, worth listening to, worthy of our trust, sacred to our touch. Once we believe in ourselves we can risk curiosity, wonder, spontaneous delight or any experience that reveals the human spirit.”

E.E. Cummings

It is so hard to spend the time with our children that they need. To encourage and grow their minds is a hard thing to do in our current society. I know it’s hard, with three four year olds, to do anything constructive. We have work commitments, families, dinner to put on the table, washing, dishes, housework, our own lives to lead and children to bring up.

I feel guilty that I am not teaching them everything I think they need for when they start school. I would like them to have some idea of their letters and numbers etc, but am struggling to find enough time in the day to do so. However the one thing I am trying to instil in them now to help them in the future is that I believe in them.

Also, here’s a great Pinterst board I discovered with lots of resources: https://uk.pinterest.com/juliekslp/social-language/

* Services
* Sporting Tickets
* Wine
* Household items
* Anything else you can think of
* Weekends away
* Beauty Treatments
* Vouchers
* Memorabilia
* Outdoor / camping
* Items for our Raffle baskets

Please have a chat to family, friends and employers – all donors will be acknowledged via our Facebook page, our school newsletters and on the night.

Together we can make this event amazing and raise some serious funds for our children's school.

If you have any queries or need further information please do not hesitate to contact Kel Wegener or Kelley Webb.
**Vacation Care Term 2**

**Dear Families**

To secure a place for your child, enrolments will need to be returned to OSHC by 6pm Monday 4th. No bookings will be taken after this date, and casual bookings may not be accepted during the entire vacation care period due to staffing constraints and pre booked excursions.

Kind regards, Billy Graves, OSHC Director
